## Special Youth Deer Hunts To Be Held In Berkeley County During 2006

The South Carolina Department of Natural Resources in cooperation with Santee Cooper will be conducting youth deer hunts on the Moultrie Wildlife Management Area located in northern Berkeley county. A random drawing will be held to select participants for each hunt. There is no application fee and no license requirements except for those that are 16 and 17 years of age (must have a junior sportsman license and a hunter education certificate).

To be eligible for these special youth deer hunts, applicants must meet the following requirements:

1. Applicants must be between the ages of 10 to 17 inclusive.
2. Applicants 16 and 17 years old must have a Junior Sportsman license and a hunter education certificate.
3. A parent or legal guardian must provide written permission for their child to participate.
4. A parent, legal guardian, or other responsible adult must provide transportation for each youth to and from the site.

Selected participants will need to check in at a specified location and time. They will receive a quick refresher course on firearm and hunting safety as well as instructions concerning the hunt. Each hunter is required to wear a cap, jacket, or vest that is international orange at all times. Firearms will be restricted to center-fire caliber rifles. There is no facility available on site to shoot your firearm prior to the hunt. Proper clothing, mosquito repellent, flashlight, and a cushion will make the hunt more enjoyable.

Hunting will be done from elevated deer stands large enough to accompany both the hunter and the guardian. The guardian must remain with the youth at all times during the hunt and the adult is not allowed to hunt.

There are no facilities available at the hunting site for cleaning a deer; therefore, each participant will be responsible for cleaning their own deer at another location.

To apply, the completed questionnaire and application on the reverse side must be received at the Dennis Wildlife Center by 5:00 PM September 20, 2006. If further information is needed, call 843-825-3388 between the hours of 8:30 AM and 5:00 PM Monday thru Friday.
